

DJ Services at The Historic John P. Furber Farm

Adagio Djay Entertainment is honored to be working with couples at the Historic John P. Furber Farm. We have over 30 years of experience in the local wedding industry and weekly experience at the Historic John P. Furber Farm since it's opening. We have helped thousands of couples have a smooth and worry-free music experience and would love to share our expertise with you.

Our Historic John P. Furber Farm standard wedding package includes up to 6 hours of continuous coverage for your reception as well as a complimentary on-site basic ceremony package if needed. With the **exclusive referral program discount**, the package starts at \$1295 plus travel and gratuity.

This includes a wireless microphone for blessings and toasts, state-of-the-art sound system, LED dance floor lighting, on-site back-up equipment and access to our comprehensive online music planner. If you are hosting your ceremony on-site at one of the outdoor ceremony locations, we will add-on our Basic Ceremony Package complimentary, which includes a separate 1-speaker sound system with a single microphone and an additional hour of time immediately preceding your reception package (total of 7 hours of coverage). Both systems are set prior to guest arrival so there are seamless transitions between the outdoor ceremony and indoor barn reception.

The base rate listed above is based on our standard level of DJ talent. We invite you to check out our staff DJs on our website. If you are interested in upgrading to a Premium DJ or Exclusive DJ (individual rates), we can get you specific pricing. We also offer several add-on options including professional live musicians, sound support for your own live musicians, mood lighting, videography and dance instruction.

We would love to chat with you about the specifics of your event and get you a customized quote based on your event date and needs. Contact us today to see how we can enhance your vision with our award-winning services.

Sincerely,
The Adagio Djay Entertainment Team
