

Rules and What to Bring on Event Day

- We do not allow real candles (LED only), glitter, balloons with helium, or silly string in the barn
- You cannot use tape or put any holes in our walls
- You cannot hang anything from the fire suppression pipes
- Please bring your own ladder
- The white curtains do not come down
- The code for the wedding suite is 7310
- Rehearsals are allowed on the rental date only unless you have rented the space the night before
- You may be able to rent a block of hours or the day prior to your wedding
 - Based on availability
- We do not take down or cover up the flag or the cross and you cannot either
- No smoking or vaping allowed in the barn, near the barn, on or under the decks
 - We have designated smoking areas
- Cars are allowed to be left over night and MUST be gone by 8:00am the next morning
- You must provide a Point of Contact for your wedding day
 - This person needs to be a responsible adult
 - Must answer their phone when we contact them
 - This cannot be your parents or anyone in the wedding party
 - This person needs to be at the barn from the time you arrive until the ceremony starts
- Our black and white chiavari chairs DO NOT go outside

Continued on page 2...

- We will conduct an alcohol check of the wedding suites 1 hour prior to the ceremony
 - It is your responsibility to inform your wedding party of this
 - You *cannot* take any remaining alcohol and put it in your cars
 - You will get the alcohol back at the end of the night
 - It is your responsibility to ask the security officer for it
- We have Open Houses and Open barns for you to come see the venue
 - We do not schedule additional visits
- We have a golf cart for rent on your wedding day (summer only)
 - Contact us for pricing
